## How to Make Your Yearbook Personal Page

This year we are asking that all Personal Page files for the yearbook be submitted electronically as JPEGs (saved at 300 dpi) or PDFs and that all additional photos be sent as JPEGs to the email address [yearbook@willardptg.org](mailto:yearbook@willardptg.org). However, **if you are unable to scan your page or submit it electronically, please contact us, and we will help you and/or make alternative arrangements.**

Naming your file: Your personal page file should be named with the student's last name followed by first name (i.e. *smithjohn.pdf* or *babysmithjohn.jpeg*).

Designing your page:

The 7.5" (wide) x 8.5" (high) page can be designed entirely on a computer (using programs like Pages, Word, KidPix, etc. plus scanned images) OR you can decorate it by hand and cut and paste pictures or poems and then scan the document into your computer. Then, email it to [us](mailto:us) as a JPEG.

Decorate your page with drawings, photos, designs, words, poems, etc. See suggestions in the box on the right and sample pages on Page 4 and on the [Willard PTG's Fifth Grade Celebration](http://WillardPTG'sFifthGradeCelebration) website. You can browse through other Willard yearbooks at the Main Office at Willard if you need even more ideas.

**Clark Kent**  
*aspires to be a superhero and be kind to people*  
 My favorite memory of Willard is when I was in Ms. Jones' class and I helped move all the desks... at once! I also liked the ice cream social at the beginning of the year. It was super, man!  
 When I have free time, I like to leap tall buildings in a single bound and outrun locomotives.

**Matthew Murphy**

*Other:*  
 My favorite day of the week is Wednesday and I have broken my left elbow by jumping out of a tree. I hate celery and I have never been out of the country. The farthest I have ever been is Florida, and that was the only time I have been on an airplane. My favorite NHL player is Sidney Crosby. I have been to the Baseball Hall of Fame twice. I hope to be a professional hockey player when I grow up.
