

2010-2011 Willard PTG Membership Form

Your family membership dues of \$25 help to support a wide variety of educational and cultural enrichment programs and extracurricular activities for Willard students. PTG dues also cover the cost of producing the annual *Willard School Directory*. In an effort to publish the most accurate information possible, *The Willard School Directory* will not be distributed until after the start of school.

The source of the Willard directory will coincide with student info on file with the district. Please stop by the cafeteria at the Open House on Thursday, September 2nd to review your child's information.

Please also complete the below information so we may properly credit your dues payment:

VOLUNTEER! WE NEED YOU!

PTG needs are not only financial. Each year we require many volunteers to give of their time in order to provide the programs and activities from which the Willard students and staff both benefit and greatly appreciate. No doubt you will be encouraging your son or daughter to *participate, make new friends, take chances and try something new* this year at school. We encourage you to do the same. The personal rewards are significant. You will be asked to sign up for various volunteer roles (incl. library support and room parent duties) at this year's Open House.
