

The **Center for Parents and Teachers**

is planning to offer, if there is sufficient interest,
small, professionally facilitated support groups
to assist parents in coping with Tyler Ryan's tragic suicide.
Facilitators will provide guidance on how best to
support and communicate with children in an ongoing way
as well as offer guidance on prevention and intervention.

Please fill out this form and email Sally Quinn Reed at squinnreed@colonial.net or call 978-202-1145 and we will be in touch.
